It’s that time of year again!
Remember to turn in your Enrollment Request Form(s) to the ECC main office no later than February 29, whether you intend to enroll at the ECC or not for the 2016-2017 school year.

Message from ECC Director Barb Benn:

ECC Parents,

I hope this finds you all enjoying some of the warmer weather that has found its way to us. As many of you know we have had snow, ice, puddles, and mud as a result of our Colorado weather. We appreciate your diligence in sending outdoor clothing to school for your children. We know that time outside is important for young children. We are currently addressing concerns around the “grading” of the grassy areas in the playground space, this has created muddy and wet conditions that are not optimal for play. We are seeking solutions and appreciate your patience while we work with our landscape professionals to solve this problem.

I want to alert you to some ECC changes based on updates to the rules and regulations for Child Care in Colorado as of February 1, 2016. Please support us by following the protocols below to best support the children and families at the CSU ECC.

• If you have more than one child enrolled at the ECC, please plan to pick up your oldest children first. Licensing rules mandate that all enrolled children under 3 years of age not be in a space with items that present a choking hazard.

• We appreciate our school community and enjoying seeing you interact with one another. We ask that you use ECC common spaces to visit with other parents and children. Please refrain from visiting in classrooms where your child is not currently enrolled.

• In order for families and children to exit the ECC by 5:30 each night, we ask that you arrive no later than 5:15 to ensure a timely departure. Our teachers end their work day at 5:30 and are expecting to leave the building at that time. Thank you for respecting their time at the end of the day.
